

PATENT  
Attorney Docket No. 00-5016  
Application Serial No. 09/772,759

**IN THE SPECIFICATION:**

*Please amend the specification by substituting the following corrected paragraph appearing on page 14, lines 10-16 in place of the existing paragraph.*

--Figure 10 shows an exemplary add single-sided (SS) frame window of the frame browser of the present invention. As shown in the figure, the add SS frame window **[[lets]]** allows the user to add a single-sided frame to the selected wire center location. The user can set the number of modules, shelves, and blocks per shelf. The user also can define the direction of growth, shelf direction, primary use, a vertical trough and frame properties.--
